OFFICE OF PETITIONS

PETITION TO ACCORD ORIGINAL FILING DATE

Sirs:

This petition is being filed in response to a Notice of Incomplete NonProvisional Application dated February 16, 2001 (copy enclosed).

On December 29, 2000, Applicant's attorney filed with the United States Patent and Trademark Office a utility patent application comprising 26 pages of specification, 1 page of abstract, 7 pages of claims and 8 sheets of informal drawings. A copy of the transmittal paper, patent application and drawings are enclosed.

Applicant's attorney also encloses a copy of the postcard stamped December 29, 2000 indicating 8 sheets of drawings were enclosed and received on this date.

Also enclosed is a declaration from James V. Mahon stating that the above is true to the best of his belief and knowledge.

Applicant's attorney respectfully submits that the patent application filed on December 29, 2000 did contain 8 pages of informal drawings.

Applicant's attorney respectfully requests that the above-identified application be granted a December 29, 2000 filing date.

The Commissioner is hereby authorized to charge any fees required in connection with this submission to Deposit Account No. 50-0521. A duplicate copy of this Petition is enclosed for purposes of charging the Deposit Account.

DECLARATION OF JAMES V. MAHON

OFFICE OF PETITIONS

SIR:

I, James V. Mahon, hereby declare as follows:

1. I am a Patent Attorney with the law firm of Clifford Chance Rogers & Wells LLP. I have been preparing patent applications for the past 5 years. It is normal procedure for me to take the following steps when filing an application.

- a. Review all transmittal papers in connection with the application;
- b. Review all copies made of the application for filing;
- c. Review the Certificate of Mailing by Express Mail;
- d. Review the postcard indicating all documents enclosed; and
- e. Review the file and client copies of all papers.

2. I reviewed the contents of the package before mailing with regard to the above Utility Patent Application which consisted of the Specification (26 pages), Abstract (1 page), Claims (7 pages), Drawings – informal (8 sheets), Information Disclosure Statement – 3 references on December 29, 2000.

3. In the course of reviewing the application for filing, I routinely make use of a check-list identifying all papers (including specification and drawings) to be filed with the application. A copy of this check list, completed immediately prior to the mailing of the application, was present in our patent prosecution records and bears my initials, indicating that I reviewed the application and confirmed that the drawings were present upon mailing of the application. A copy of this check list is attached.

The foregoing is true to the best of my belief and knowledge.
